

Infants Schedule

Infants will be placed in a warm and cozy room. We accept infants from six weeks to 18 months of age, with a maximum of 8 children in the program at any one time. The ratio of child/teacher is 5 children to one caregiver.

Breakfast

Yumm Yumm

Playing on the floor with toys and others to develop social skills.

When weather permits, your little ones are taken outside for short trips in a stroller, or on walks hand-in-hand with their teachers.

Nap Time/ Quiet Time

We lovingly provide the personal contact your child needs: holding them, reading, singing and talking to them. We will help them explore educational toys to learn about their world.

Lunch Time

Our aim is to give your child the best care possible. If you would like for us to follow a schedule or a specific routine that comforts and encourages them, we will be glad to the best of our abilities.

We ask that each child have several articles of changing clothing, wipes, and disposable diapers. You will also need to provide a blanket for your child's crib. As far as extra diapers go we have storage space so that you can bring in a large amount, and we will notify you when more are needed. Also for children under the age of one years old, you need to provide bottles, and formula if you do not want to use the kind the center provides.
